Customer Complete User Guide

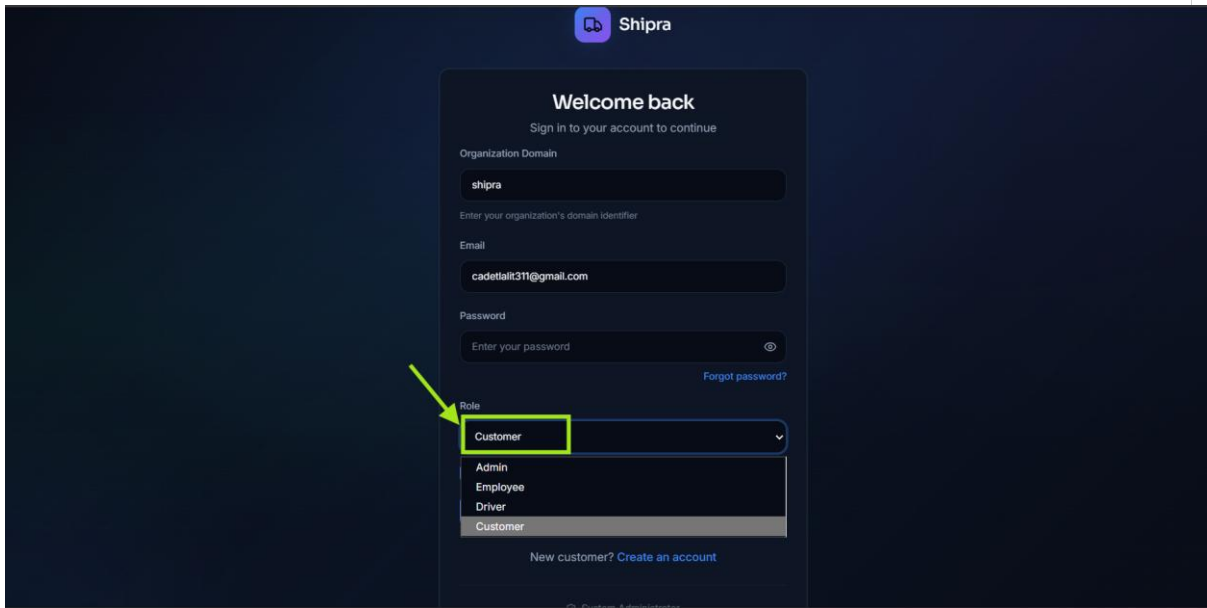

Date: May 2026

MODULE 1: Security, Authentication & Session Management

This module covers login, logout, password management, and two-factor authentication.

1.1 Login to the System

- 1 Open your browser and navigate to the website.
- 2 Enter the correct Organization name in the organization domain field (e.g., alpha).
- 3 Enter your registered Email Address
- 4 Enter your Password.
- 5 Select User 'Customer' as a Role.

The screenshot shows the Shipra login interface. At the top, there is a Shipra logo. Below it, the text 'Welcome back' is displayed, followed by 'Sign in to your account to continue'. The form contains the following fields:

- Organization Domain: A text input field with the value 'shipra'.
- Email: A text input field with the value 'cadetaltit311@gmail.com'.
- Password: A text input field with the placeholder 'Enter your password' and a toggle icon.
- Role: A dropdown menu with the value 'Customer' selected. A green box highlights the dropdown, and a green arrow points to it.

Below the Role dropdown, there is a link 'Forgot password?'. At the bottom of the form, there is a link 'New customer? Create an account'.

- 5 Click the 'Sign-in' button.
